Catholic High School 2020 – 2021
GCE O-Level: A1 in English, Mathematics, Additional Mathematics, Physics, Chemistry, Biology, Humanities, Chinese; A2 in Higher Chinese (raw L1R5: 6)

- CHS Gentleman Award (2021); Yao Kwok Wah Award (2021); Brother Subran Memorial Book Prize (2022)

TECHNICAL SKILLS

Languages: Python
Tools: Roblox Studio, Claude Code (AI-assisted development), Git & GitHub, Notion
Other: Game design (progression, economy, playtesting), video editing, prompt engineering

PROJECTS

Duck Dash: River Run | Roblox Studio, Luau Oct 2026
Garena Ultimate Hackathon · Best Animation (team) · Gameplay design and trailer

- Designed seven escalating hazards across 33 stages and an unpredictable boss with randomised timing and fake-out turns.
- Built seven randomised coin patterns, verified by an automated bot; produced the 15-second cinematic trailer.

Automated Sleep Tracker | Claude Code, GitHub Aug – Sep 2026

- Automated nightly audio analysis over 43 nights; AI cross-checked the method against 117 medical sources.

Campus Bus Planner | Python, JavaScript 2026

- Web app planning door-to-door trips across 1,000+ NUS rooms and 33 stops using live bus data.

Case Closed | Claude Code 2026

- AI learning tool that teaches history and science as mysteries solved clue by clue.

NATIONAL SERVICE

State Courts Officer (SC/CPL) | Singapore Police Force Jan 2024 – Nov 2025
PCB Courts Unit, Central Police Division · Overall Performance and Conduct: Outstanding

- Received the **Commander's Award** for operational excellence in implementing the Frontline Issuance System for State Courts operations.
- Managed persons in custody during court proceedings; served on the Quick Response Force and monitored CCTV in the Security Control Room.
- Created QR-code reference guides for court duties, streamlining orientation for new Auxiliary Police Officers, and built training slides for Security Control Room duties.
- Guided junior officers on courtroom procedures and led weekly gym sessions for IPPT preparation (IPPT Gold).

COMPETITIONS & AWARDS

- **NUS x Garena Ultimate Hackathon** (Oct 2026): Best Animation Award, as a team.
- **NiCE Hack 2026**, NTU (Sep 2026): participant in a cybersecurity hackathon.
- **Big Science Competition** (2021): Distinction. **Singapore Junior Physics Olympiad** (2021).
- **Singapore Schools Sports Council Colours Award**, Wushu (2021).
- **Ee Hoe Hean Club Chinese Book Award**, Merit Prize (2022): the only student selected from Catholic High.
